

NATIONAL PROTECTED AREAS SYSTEM

Nature: the system consists of important marine and terrestrial sites of astounding beauty.

Culture: protected areas are an integral part of our history and our Belizean identity.

Life: the system supports rich biodiversity that positively contributes to our human well-being.

PROTECTED AREAS POSITIVELY CONTRIBUTE TO NATIONAL DEVELOPMENT
 THEY PROVIDE US WITH ESSENTIAL GOODS AND SERVICES AND WE ALL PLAY A ROLE IN THE
 SUSTAINABLE MANAGEMENT OF OUR PROTECTED AREAS.
